

As long as I am kind

by Kalila Bennett age 8

You can make people happy,
In their heart and in their mind,
You don't have to spend any money,
"As long as I am kind."

You don't have to know someone in real life,
There's people in the kindness club you can find,
Writing nice messages and drawing pictures,
"As long as I am kind."

Young kids are feeling stressed,
Finding it hard to unwind,
Maybe we can help them out,
"As long as I am kind."

I wanted plain paper to draw a kind picture,
Mummy said "we only have lined",
"Ok mummy, a kind message instead",
"As long as I am kind."
