

Kind jigsaw

This activity is a fun way to give somebody a kind message. You could make one for a friend or family member. Who would you like to give a kind message to?

You will need: This sheet, coloured pens or pencils, scissors, glue, a piece of card (*alternatively you can print this sheet onto card*).

Step 1:

Colour in the words and pictures below. Colour in the background too. (You can ignore the grey lines while you are colouring, they are for step 3.)

Step 2:

Cut around the outside of the jigsaw and stick it onto a piece of card. Let the glue dry.

Step 3:

Carefully cut around the edge and along the grey lines.

Step 4:

Mix all the pieces up and give them to your friend or family member. Tell them that the jigsaw contains a **mystery message** just for them. Can they fit the pieces together? When they finish, they'll see a lovely kind message!

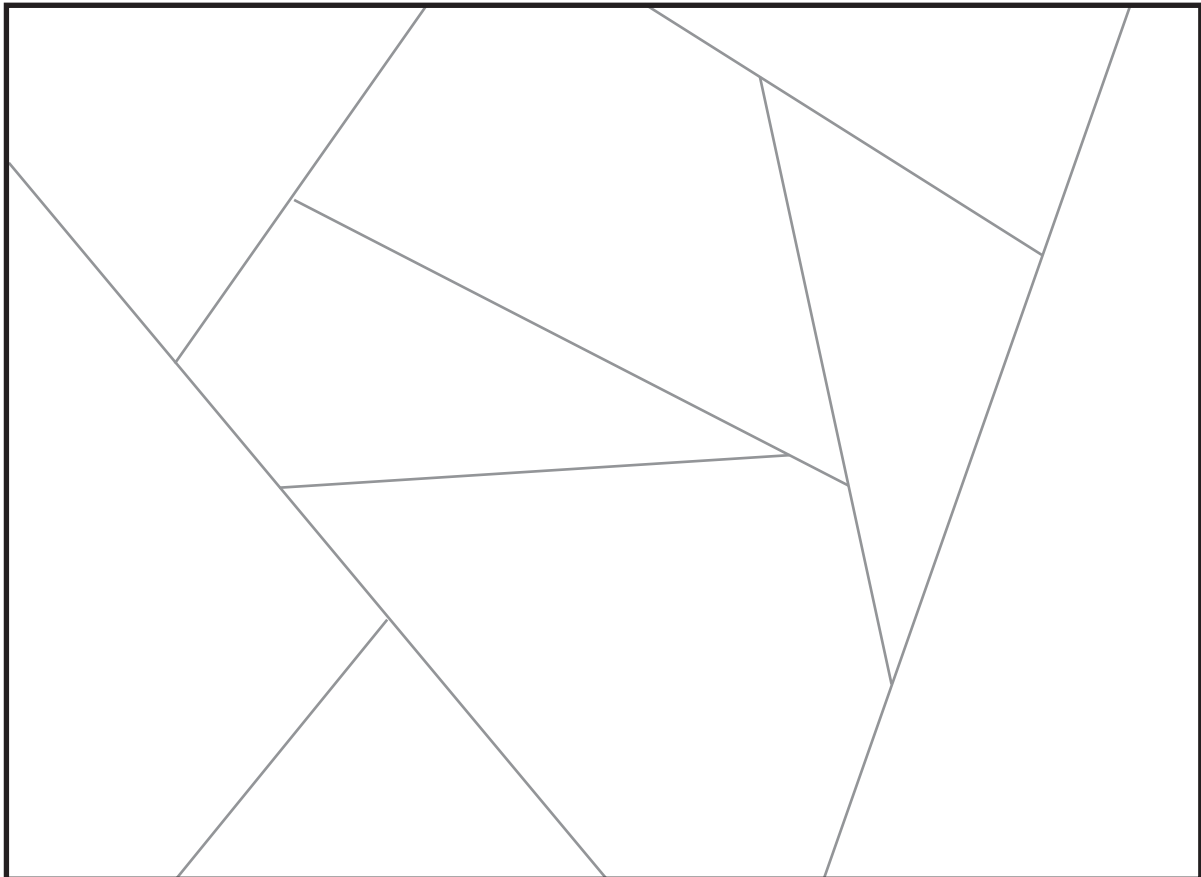

Kind words can be like a ray of sunshine!

Why not have a go at designing your own jigsaw for another friend or family member?

- Step 1:** Decide who you are going to give it to.
- Step 2:** Write a kind message especially for them in large letters inside the box.
- Step 3:** Colour and decorate around the outside of the words.
- Step 4:** Cut the jigsaw out and stick it onto a piece of card.
- Step 5:** Carefully cut along the grey lines.
- Step 6:** Give the jigsaw pieces to your friend. Challenge them to put the pieces together to find the **mystery message!**

If your friend or family member doesn't live near you, you could put your jigsaw pieces in an envelope and send them through the post!
