5 KIND THINGS (FOR OTHER PEOPLE)

The first step in earning your Purple Kindness Badge is to do 5 kind things for other people. It might be helping to tidy up without being asked, giving someone a nice compliment, or inviting someone to play with you...whatever you do, tell us all about it below! (You can also draw a picture of one of the things you did in the space below if you wish.)

5 KIND THINGS (FOR YOU)

The final step in earning your Purple Kindness Badge is to do 5 things to be kind to YOURSELF. It might be getting outside in the fresh air, writing down some things that you love about yourself, getting a good night's sleep, or doing a kindness meditation...whatever you do, we can't wait to hear all about it!

SELF KINDNESS TIPS

When we think about being kind, we often think about helping others. But being kind to ourselves is just as important. When we're kind to ourselves, it helps us to feel happier, and when we're happier, we're more likely to be kind to others. So by being kind to yourself, it's actually helping everyone!

Some ways to be kind to yourself (these are just a few ideas...see if you can come up with some as well).

Have a good night's sleep.

Spend some time doing something you enjoy.

Look after yourself by eating some healthy food and doing some exercise to stay fit and strong.

Make a list of five things you love about yourself.

PHOTO & VIDEO CONSENT

WHY DO WE USE IMAGES / VIDEOS?

At 52 Lives, we share images / videos to share stories of what children in our Kids' Kindness Club are doing, and to help promote our work.

HOW WILL PHOTOS / VIDEOS BE USED?

Images / video may be published on any of the 52 Lives websites, social media pages, and email newsletters. They may also be used in other ways, such as marketing materials or display materials, or in the media. They will not be used for any other purpose, and we will only identify children (e.g. by using their name) if you have given specific permission for us to do so below.

HOW LONG DOES CONSENT LAST?

Consent continues with no time limit. However, you can withdraw your consent at any time (see below). We cannot usually withdraw images that have already been published in printed or display materials.

WHO SHOULD GIVE CONSENT?

The child's parent/legal guardian must sign the form. While the law doesn't necessarily require consent from children, 52 Lives likes to include children and young people in the decision-making process to ensure that their views are respected (where a child has sufficient understanding of the consent process and its implications). So we have included a section for the child to sign alongside their parent / guardian.

For people over 18 – Every adult in the photo must sign the consent form. For people over 18 who do not understand the consent process, a parent or legal guardian can sign the consent form.

IS A PHOTO / VIDEO / AUDIO REQUIRED IN ORDER FOR US TO APPLY FOR A BADGE?

No. In some cases, the people we help choose not to have their image / video / audio shown publicly. If you would prefer us not to share an image / video / audio of you, then please do not send us an image / video / audio and do not sign this form.

HOW ARE THE IMAGES / VIDEOS STORED?

They are stored in a password-protected folder and we restrict access to this folder to only those who require it for their work.

HOW DO I WITHDRAW CONSENT?

You can withdraw consent at any time by emailing admin@52-lives.org. We may not be able to withdraw photos / videos that have already been published in printed or display materials.

Copyright – The copyright remains with the person who took the photograph / video.

By completing this form, you confirm that you give us permission to use the photo/s you provided to us,
